Re: California Public Records Act (CPRA) request 019-026

Dear Mr. Neidenbach:

This letter is to acknowledge your written request dated February 21 for documents regarding "...all emails to and from Igor Zakharevich (Staff Research Associate II) between January 1, 2016 to the present to or from the following domains: foe.org, commonweal.org..." made pursuant to the California Public Records Act (CPRA), Government Code §6250 et seq.

The university has determined that it has disclosable public records. The appropriate campus office is compiling the responsive documents. All information identified as responsive to your request will be reviewed for potential exemptions pursuant to the CPRA and then made available for your access, in accordance with relevant law and University policy.

The estimated date of production is six weeks. I will provide you with a status update after the requested records have been thoroughly reviewed.

For your information, the California Public Records Act allows agencies to make records available "upon payment of fees covering direct costs of duplication." (Government Code §6253(b)). The charge is \$0.20 per page for copies. Advance payment is required before production.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Gee", with a long horizontal flourish extending to the right.
